About Us

Layne Lubrications is a minority woman-owned wholesale distributor headquartered in Connecticut since 2016. Layne is a leading marketer of high-quality lubricating oils, greases, chemicals, cleaners, and equipment for all types of industries. We provide services to small, medium, and large businesses, local cities, state municipalities, and government agencies nationwide. **We take pride in delivering premium brands.** Whether you operate an auto repair shop, construction company, or major manufacturing plant, we have a product line that will help keep your operation running smoothly and efficiently.
